#### **Legal Information**

By law, watching moving pictures while driving is prohibited, the driver must not be distracted. We do not accept any liability for material damage or personal injury resulting, directly or indirectly, from installation or operation of this product. This product should only be used while standing or to display fixed menus or rear-view-camera video when the vehicle is moving, for example the MP3 menu for DVD upgrades.

Changes/updates of the vehicle's software can cause malfunctions of the interface. We offer free software-updates for our interfaces for one year after purchase. To receive a free update, the interface must be sent in at own cost. Labor cost for and other expenses involved with the software-updates will not be refunded.

#### Check compatibility of vehicle and accessories

Requirements

Vehicle Audi, Bentley, Skoda, Volkswagen

Navigation MIB 1, MIB 2

Limitations

License The OBD-coder can only be used in one vehicle (after use in a

vehicle the using in other vehicles is blocked)

Compatibility Audi vehicles up to approximately 06/2017 or until MIB software

version 06/2017

#### Installation

- 1. Locate OBD-port and remove cover
- 2. Turn on ignition
- 3. Wait until the head-unit has booted
- 4. Plug coder into OBD-port
- 5. Leave coder for about 30 seconds in OBD-port
- 6. Remove coder from the OBD-port

To reverse the coding repeat steps 1.-6.

After the first use on a vehicle, the coder TF-MIB-O is personalized to this vehicle and can be used unlimited times to code or reverse coding on this vehicle.

Version 01.12.2017 CI-TF-MIB-O
